

THE DAILY CLARION.

Monday, - - - - - January 12, 1868

Bankrupt Blanks. printed and sold in best style, for sale at this office. Orders promptly filled by mail or express.

Contracts for 1868.
We are now printing at this office the several blank forms of contracts with freedom that are likely to be used the coming year. Single contracts, in duplicate, 25 cents; by the dozen, in duplicate, \$1.50; sent by mail, or express, on receipt of the price. All parties ordering will please state whether they propose giving wages or a portion of the crop.

There will be divine service in all the city churches this morning; also, in the hall of the House of Representatives by the Convention Chaplain.

The writer appreciates the high compliment of having been elected a Trustee of the Orphans' Home, at a meeting of the Board at Lauderdale Springs, on the 6th inst.

The State Capitol was in darkness last night, much to the disgust of a would-be seer. The Convention having declined to give "personal security" that the bills would be paid, the metes were removed from the building. That's what's the matter.

In justice to the Radical gentleman who attended the Conservative caucus the other night, to which we referred, it is proper to say that we are informed that he was present by invitation, and under confidential restrictions, which, so far as we know have been duly observed.

THE NEW RAILROAD SCHEDULES.
We are indebted to Col. E. D. Frost, of the Mississippi Central Road, and to Capt. J. R. Hill, of the New Orleans Road, for the schedules which went into effect on the 5th inst.

On the New Orleans road the trains leave Canton daily at 4:30 A. M., reaching Jackson 6:25 A. M., and arriving at New Orleans at 8:35 P. M. Returning, leaves New Orleans at 4:30 P. M., arrives at Jackson at 3:05 A. M., and reaches Canton at 4:30 A. M.

On the Mississippi Central, trains going north leave at 4:30 A. M., and arrive at 3 o'clock A. M.

Whatever may be said of the Convention now in session in this city, it differs in one marked respect from all legislative bodies that have heretofore assembled in this State, in the prodigal liberality with which it dispenses patronage. We have never before seen such a numerous corps of officers, nor such a disposition to pay them well for their services.

Attention Firemen!
Members of Jackson Fire Co. No. 1, will attend washing, Monday, Jan 13th, at 4 o'clock P. M. Also regular annual election of officers for the ensuing year, at 7 o'clock.

By order,
B. B. EVANS, Foreman.
P. S. Every member of the Company is requested to be present and in full uniform, in accordance with a resolution passed at the last regular meeting.

What We Shall Get from Asia.
When trade once fairly opens between our Pacific States and their opposite in Asia, we shall find that the enormous hordes of that vast host of population will furnish us a thousand things to contribute to our comfort and enjoyment, at rates that appear exceedingly small compared with the prices that are paid for similar articles of use and luxury made in Europe and in this country.

A shipload of Chinese wares recently seized by the custom officers of San Francisco, and the invoice contained articles like the following:
Handsome sets of porcelain, bought for four dollars a set.
Beautiful fans, painted by hand in brilliant colors, with figures of dragons and Chinese beauties, purchased at a cent each.
Spades for garden use, bought in China at the cost of a few cents each.
Straw hats of a good quality, invoiced at a cent each.
Nice baskets, in sets of four, costing in the Celestial Kingdom but four cents each.
And other commodities, the product of Chinese industry, which in this country at prices proportionately small.

We hear that some of these articles are to be sent on to the Atlantic coast, as illustrations of the abundance of labor in the market of China, the product of a country in which all commodities of Chinese handiwork can be procured, and the still more marvelously small cost at which a family can maintain a shift to subsist in a country where labor is so cheaply cheap.

Personal.
EX-CONFEDS and "REBS" will find Poland's new paper—the Southern Opium—the only newspaper in the South devoted to the memories of the late C. S. A. at Lynch & Co's.

His Reminiscences and Anecdotes of the War are edited by Paul H. Hayne, of South Carolina. Ex-Confederate officers and soldiers are requested to send anything they may have in the way of sketches, incidents and anecdotes of the late war to him at Augusta, Ga.

WHILE THE LAMP HOLDS OUT TO BURN" there is a chance for restoration of health. If therefore, the constitution has been weakened by disease or excess—the nerves shattered—the stomach weakened—the appetite gone—all the world appears gloomy—pour some fresh oil into your lamp in the shape of Plantation Bitters, which will make the flame of life again burn brightly, and illuminate a once happy existence. For ladies it is an elegant and gentle stimulant, exactly such as they require. Many families will not be without it. It has an immense sale throughout the world.

MAGNOLIA WATER.—A delightful toilet and hair-springer to Cologne and at half the price.

SPECIAL NOTICES.

You may be Too Late.

Be warned in time. Diseases like Indigestion and Dyspepsia are not to be trifled with. There is such a thing as being too late in these matters, inflammation, or Scirrhous Cancer, or some other dangerous disease may ensue when all restoratives, no matter how potent, would be ineffectual. Do not delay then—When the symptoms of Dyspepsia are first experienced, resort at once to the great restorative medicine, HOSTETTER'S STOMACH BITTERS, and you will be safe.

But few disorders involve greater suffering, and, if not in itself immediately dangerous, it is the source of many deadly maladies. Even if it did not tend to produce evil, the mental and physical misery it produces alone a sufficient reason why no pains should be spared to prevent or cure it. In no country on the face of the globe is it so completely domesticated as in our own, where it is found in nearly every household. HOSTETTER'S STOMACH BITTERS are universally conceded to be the sovereign remedy for this annoying disease, as they act directly upon the digestive organs, correct and tone the stomach, and give renewed vitality to the system. Acting delightfully upon the nerves and soothing the brain, renders them efficacious as a mental medicine, as well as a genial stomachic. Taken as a preventive, they will be found particularly well suited to the diseases arising from the unhealthy season of autumn, and their use will prevent the creeping, unpleasant sensation often complained of when the chills are stealing slowly upon the patient.

Extract of a Letter From

PROVIDENCE, ALA., May 13, 1866.
DR. JOHN BULL I send you \$20 for CEDRON BITTERS, and send what I will come to after paying freight to Columbus Miss. I have been troubled for several years with indigestion, have had to take pills every night for ten or fifteen years, and in February last was attacked with general paralysis. I was confined to my room the balance of the year; and, in fact, continued in a very weak and nervous condition until some two months since, when I was put under an operation, and your CEDRON BITTERS for treatment. I commenced improving right away, and am pretty well restored.

Yours truly,
A. L. NEAL.
LOUISVILLE, KY., Nov. 25, 1865.
I received this day the following, from Lancaster, Kentucky:

DR. JOHN BULL: Please send me in haste, for my own use, ONE DOZEN of your CEDRON BITTERS. I have tried them, and find them all you claim for them.

Yours respectfully,
G. W. SHINDLEBOWES.
Bloomington, Ill., Oct. 14, 1864.

DR. JOHN BULL: We made an arrangement with your agent, July 29, 1864, for selling your Cedron Bitters, and are about sold out. We want (one gross) twelve boxes more, without delay. We are introducing them readily, and think they answer a good purpose.

We wish to call the special attention of our readers to the advertisement in another column of the enterprising firm of James Ruddle & Co., of Louisville, Ky. We do not wish to intend to recommend all the patent medicines that come along, "war ranted to cure all the ills that flesh is heir to," but when, as in this case, they are put out by men of long experience in the practice of the healing art, men of standing in the community in which they live, and when the medicines themselves have stood the test a quarter of a century, (as is the case at least with some of these,) and more especially when they do not claim to do too much, we cannot see why they might not be taken in the special diseases for which they are recommended, with at least as much confidence as the prescription of a regular physician.

Coc's Cough Balm will invariably cure the most deeply seated Cough or Cold, no instance of failure has ever been heard of.
Coc's DYSPEPSIA CURE, the great remedy for all diseases of the stomach.
Physicians endorse and use it. It cures Headache, Dizziness, Heartburn, Bad Breath, Cholera Morbus and other diseases too numerous to mention. It is the best remedy for all the ailments of the Great Female Remedy, for all irregularities, although so powerful and positive they are perfectly harmless, and may be used at all times not specially forbidden in the directions.

For a sure cure, BILIOUS POWDER, a most wonderful cure and preventive of Fever and Ague. The cheapest remedy of the kind sold. Price only 50 cts. Sold in Jackson by

A CARD.
WHAT IS TARRANT'S EFFERVESCENT SELTZER WATER, and what are its effects? These are questions which the great American public has a right to ask, and it has also a right to expect a candid and satisfactory reply. The preparation is a mild and gentle saline, a cathartic, alterative and tonic, and is most carefully prepared in the form of a snow white powder, containing all the wonderful medicinal properties of the far famed Seltzer Springs of Germany.

Of its effects, we would say that those who have tested the preparation are the best judges and they declare over their own signatures, that the preparation will promptly relieve indigestion. Regulate the flow of the bile. Cure every species of headache. Tranquilize the nervous system. Refresh and invigorate the weak. Mitigate the pangs of Rheumatism. Neutralize acid in the stomach. Cleanse and tone the bowels. Assist the failing appetite—Cure the heartburn.

If you are a sufferer give this remedy one trial, and it will convince you of the above facts.

MR. EDITOR: We noticed with pleasure in a recent number of your paper a card signed by Dr. J. D. Miles, complimentary to Dr. B. JONES, formerly a citizen of this place. We unhesitatingly endorse Dr. Miles' statement and join him in recommending Dr. JONES to the citizens of Jackson and vicinity, as a skillful Dentist and honorable gentleman, whose success we would at all times be glad to hear, and we are convinced that he will succeed if he resolves that patronage does him no harm, and his superior ability in his profession.
